Text formatting

Some text *this is in italic* or *this is in italic* and **this is bold** or code `code`.

Two spaces at the end of previous line makes this appear as the next line.

html code

```
<h1>This is header 1</h1>
<p>paragraph</p>
<div>
  <h2>some header</h2>
</div>
```

javascript

```
const number=10;
```

CSS

```
p {  
  color:red;  
}
```

json

```
{  
  "firstname":"Leila",  
  "lastname":"Hökki"  
}
```

terminal or shell

```
$ node server.js
```
