Text formatting

Some text *this is in italic*, *this is in italic* and **this is bold** or `code`. Two spaces at the end of previuos line makes this appear as the next line

html code

```html
<h1>This is header 1</h1>
<p>paragraph</p>
<div>
  <h2>some header</h2>
</div>
```

javascript

```javascript
const number = 10;
```

css

```css
p {
  color: red;
}
```

json

```json
{
  "firstname": "Leila",
  "lastname": "Hökki"
}
```

terminal or shell

```
$ node server.js
```
